What's New for 2017

- The valdyba asks that if an individual should have an issue/problem with a golf course during one of our tournaments, that they please inform the Club President or Tournament Director immediately so they can handle the issue with the course. The valdyba has a close relationship with many course personnel and would be happy to help solve any problems you may have without jeopardizing our relationship with the course.
- CLGK will be hosting SALFASS 2017 this year at Eagle Ridge Resort in Ypsilanti, Michigan over Labor Day Weekend. Please mark your calendars! Hope to see our members there!
- Green Garden Gold has been added (June 25th) as a new venue with the 1-2-3 format: 1-2-3 team best ball net. This is a best ball net team game where you use the score of 1 better ball net at par 5s, 2 better balls net at par 4s, and 3 better balls net at par 3s.
- We added Sanctuary Golf Course for the Fall Classic on September 17.
- **Facebook:** Photos and information throughout the season are available on Facebook without joining (www.facebook.com/ChicagoLithuanianGolfClub). If you have photos from outings or other interesting tidbits that you would like to share with the club, please contact Ramune Dagys (ramunedagys@gmail.com), who will be happy to post them.

Club Dues

The annual club dues will remain at \$40 for the year. This fee includes tournament fees, handicapping service, prizes and awards. Participants 18 years old and younger are free. The club may purchase lunch at selected tournaments. Guests are not eligible to win any prizes and there will be a \$5 guest fee if the club is purchasing lunch. Guests are limited to a maximum of two tournaments a year. Dues must be paid no later than June 1, 2016 or the member will forfeit their club membership.

Please mail your check for this year's dues, payable to "CLGK", to:

Chester Baksys
8111 Wheeler Dr.
Orland Park, IL 60462

Prizes

We will continue giving cash prizes to outing winners and golf balls for proximity winners. Each proximity winner will also again receive 1 entry per win into a Proximity Raffle for a CASH prize of \$100.00. This will be done for the entire season.

At the Club Banquet, from all the accumulated entries, one winner will be drawn for the men's division and one winner for the women's division. Juniors will continue to receive golf balls as outing prizes.

Communications

E-mail will be used to keep you informed as to upcoming tournaments and other club news. Most of the information sent to you will also be available on our web page at www.clgk.org or Facebook. If your e-mail or any information changes, or if you do not wish to receive CLGK e-mails, please advise Ramune Dagys - ramunedagys@gmail.com.

Handicaps

Our golf club issues golf indexes which have been approved by the United States Golf Association. A USGA Handicap Index will be converted to a course handicap and used in the net competition tournaments that we conduct. Having a golf index enables golfers of varied abilities to compete on an equal basis. We will post all tournament scores, but in order for your USGA golf index to be valid, it is required that **all** of your golf scores, with name of course, tee used, adjusted score with course rating and slope, be posted. You can do this by contacting Arunas Dagys by phone, or preferably sending this information to him by e-mail at ArunasD@sbcglobal.net. Directions for adjusting the golf score, as well as the current golf indexes/handicaps for all club members, are available by visiting the club's web site.

Competition Classes by Handicap/Golf Index

We will continue to vary the number of classes and their composition for men and women, depending on the number of golfers participating and their golf indexes. Where the competition is net score by class or gross score by class, the number of classes may be more or less than the 4 men classes and 2 women classes we have used in the past. The range of golf indexes and number of golfers participating will dictate the number of classes and what the class handicap range will be for that tournament. Prizes awarded may vary from 1st, 2nd and 3rd, to 1st and 2nd, or to only 1st for a class depending on how many golfers are in a class. Our tournament directors will monitor each tournament's registration and make the necessary determinations in order to make competition as fair and competitive as possible.

In making these adjustments, we are attempting to group golfers of somewhat similar ability and to vary the number of prizes awarded in proportion to the number of golfers participating in a class.

CLGK Web Page

Our club maintains a web page, at www.clgk.org. Tournament dates, tournament results, golf indexes, new member information, tee times, archive photos, as well as other information is available.

Tournament Registration

Due to golf course booking requirements, it is mandatory that you register with the Tournament Directors eight (8) days, or as specified, prior to the outing. Contact info is noted on the web page. If you have registered and are unable to attend, please contact a Tournament Director ASAP. Failure to do so may result in your responsibility for your greens fee.

When you arrive at the golf course make sure you check in with a Tournament Director

Tournament Slow Play

Slow play in golf is still a major problem. It is expected that you and your foursome will keep pace with the foursome in front of you. To play slow is a disservice to the groups behind you. Be part of the solution and not part of the problem. Try to study your putt while the player in front of you is studying their putt. While we think we are good, we are not on the PGA tour.

Rules of Competition

USGA rules apply with the following exceptions:

1. You can touch and move the ball 6 inches only if the ball lies **in your fairway**, otherwise NO TOUCH
2. Out of bounds is played as lateral water hazard. One stroke penalty and drop a ball two club lengths from the spot where the ball crossed going into the out of bounds area. Going back on the line of flight more than two club lengths is not permitted under the rules of golf.
3. Lost ball is played with a one stroke penalty and dropping a ball where the ball is presumed to have been lost.
4. Maximum score of 10 on a hole. Once you hit 10, PICK UP THE BALL.
5. If necessary, two attempts must be made to cross a hazard, unless there is a drop area.
6. Rule 18-2b. Ball Moving After Address

A new exception is added that exonerates the player from penalty if his ball moves after it has been addressed when it is known or virtually certain that he did not cause the ball to move. For example, if it is a gust of wind that moves the ball after it has been addressed, there is no penalty and the ball is played from its new position.

Golfer of the Year

Our club will track points as they are awarded based on how a golfer performs in our tournaments. The points awarded are cumulative for the year. At the end of the year we honor both the man and woman with the most points as our golfers of the year.

Low Gross	1 st , 2 nd , 3 rd	6-4-2 points
Low Net	1 st , 2 nd , 3 rd	6-4-2 points
Team Winners	1 st , 2 nd , 3 rd	6-4-2 points
Closest to Pin	1, 2, 3 shots	2 points
Hole in One		10 points
Longest drive		2 points

The Member Roster will be sent in an attachment.

The Tournament Schedule can be found on the CLGK web site.

C.L.G.K. Valdyba (Club Officers)

Our golf club has been in existence for over 50 years. This longevity is due to club members who have stepped up and taken leadership roles. We acknowledge those individuals below and we also issue a challenge to those members whose names are not listed: is it time for you to make a contribution to the club by becoming an officer, time to give something back? Time involved in being an officer is much less than what it takes to play one round of golf.
